- Unity integration
- Mentoring & workshops

LANGUAGES

- Ukrainian — fluent
- English — intermediate
- Russian — fluent

EDUCATION

KNUTD
Computer Science, Kyiv · 2012–2018

PROFILE

Senior Spine 2D animator with 10+ years in animation: commercials and motion design first, then mobile games since 2018. I rig and animate characters, creatures, UI and FX, and keep skeletons light enough to run well in Unity. I've also given Spine lectures and workshops and mentored new animators.

EXPERIENCE

Bini Games
08.2022 — present

Senior Spine Animator · Remote

Animation for kids' mobile games, including MaPanda. Gave Spine lectures and workshops for the team.

Glera
02.2022 — 08.2022

Senior Spine Animator · Remote

Spine animation for casual mobile titles.

WhaleApp
09.2020 — 01.2022

Senior Spine Animator · Kyiv

BlitZ: Rise of Heroes, Solitaire: Texas Village, Match3PvP and others. Onboarded and supervised new animators.

Genesis
01.2018 — 09.2020

2D Animator (Spine) — Games & Video · Kyiv

Lead animator on Keiki, a preschool learning app on the App Store: characters, UI and video.

DiamondTV
07.2015 — 08.2017

Motion Designer · Kyiv

Commercials for Coca-Cola, Nemiroff and other brands; logos, presentations, web design, 3D product models.

GAMES

MaPanda · BlitZ: Rise of Heroes · Solitaire: Texas Village · Match3PvP · Keiki — Preschool Learning · War Alliance · Mini Kingdoms

PORTFOLIO
